"BROKEN COIN"
The fourth episode of "The Broken Coin" far surpasses in interest all the preceding adventures of the serial. See who gets the valuable half of the broken coin. After it is gotten what is done with it? Why was blood shed to secure it? Who is Kitty Gray? Why did she strain every nerve and fiber in her body and face so many times to secure the other half of the broken coin? Learn the answer by seeing "The Broken Coin." It will thrill you more today.

DAILY EXPRESS ICE BLANKET

Saves 1/2
Your Ice Bills.

To its many subscribers, old and new, the Daily Express is offering a most unique premium that should at once become popular in every home in Chickasha where there is a refrigerator or ice box. The blanket is made of vegetable parchment, is thoroughly sanitary, and its value lies in the fact that it excludes heat from the outside and retains the cold air beneath. Just place the blanket loose over exposed side of ice, top or front, tucking the edges in. It will keep the outside warm air from coming in contact with the ice and save one half, and will not decrease refrigeration. The blanket is not porous so it will not become musty or strong smelling, won't dissolve or go to pieces when wet, so you need have no fear of clogging the drain pipe. Don't use any more porous, unsanitary cloths, burlap sacks or newspapers on your ice.

The only consideration necessary to secure one of these blankets, is to pay one month's subscription in advance to the Daily Express—forty cents—and our solicitor, or collectors, and you one of the blankets may be obtained on the same terms at the Daily Express office.

If you do not desire to advance your subscription one month, the ice blanket may be bought at this office. Price 10 cents.
